

# FORMAT FOR SUBMITTING SUBCATEGORIES OF CLASSIFICATION GUIDES

(The following are general categories of classification guides contained in Tab A, Agency Classification Guide, and are used here for illustrative purposes. Follow this format in submitting your subcategory(ies), the level of classification to be assigned to each subcategory, the duration of classification, and the reason if classification extends beyond six years.)

## 1-301(c) Intelligence activities, sources and methods

(1) Information which could reveal or identify a present, past or prospective intelligence source, whether a person, organization, group, technical system, mechanism, device, or any other means or instrument that provides, has provided, or is being developed to provide foreign intelligence or foreign counterintelligence.

(aa) (First subcategory.) \_\_\_\_\_

Level of Classification: \_\_\_\_\_ TS, S, or C

Duration of Classification: \_\_\_\_\_ (No. of Years)

Justification for Extension  
Beyond Six Years: \_\_\_\_\_

(bb) (Second subcategory, if any.)

(Level, duration, and reason, as above.)

(2) Information which could reveal or identify a present, past or prospective intelligence method, procedure, mode, technique, or requirement used or being developed to acquire, transmit, analyze, evaluate, or process foreign intelligence or foreign counterintelligence, or to support an intelligence source, operation or activity.

(Same as (aa) and (bb) above.)
